CASINO NIGHTS

CASINO NIGHTS

Redtooth are pleased to offer our new fully tailored Casino Nights for pubs that range from a single Blackjack table to a full Las Vegas style experience featuring authentic full sized tables for Blackjack, Roulette and Texas Hold 'Em Poker as well as slot machines. We also provide the chips, fun money and tuition for new players and can also supply a magician to be on hand to help guests relax and get into the evening!

Our fully trained and experienced staff include an events manager and professional uniformed croupiers to make the night run smoothly and offer guidance to novice players.

The event usually covers a 3 hour playing period, this could be either 3 hours straight through or you could add in a break to hold a buffet/food for your guests.

Christmas, New Year, Easter and Bank Holidays will incur additional charges.

SPECIAL OFFER

A mix and match package is currently available for £585 - this includes any 3 of the above marked* items and get the slot machines and marketing pack included for no extra charge - that's a saving £150!

An additional cost will be travelling expenses. This is charged at 45p per mile from our base in Derbyshire to the venue and back.

For example if your venue is 125 miles away, the return distance is 250 miles = £125. These figures would be agreed at the booking stage using google maps so there are no surprise costs. Occasionally due to very late finishes or distance other costs may be incurred - this will be agreed on booking.

TECH REQUIREMENTS

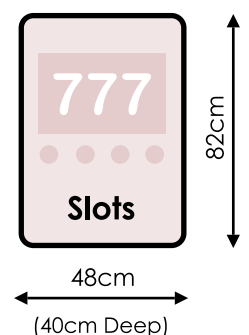

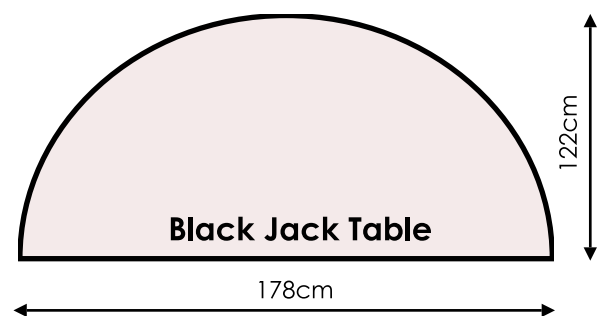

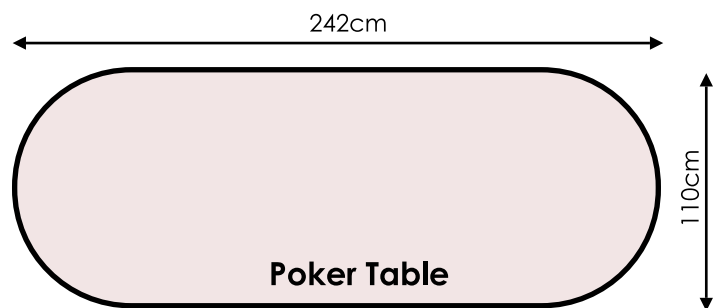

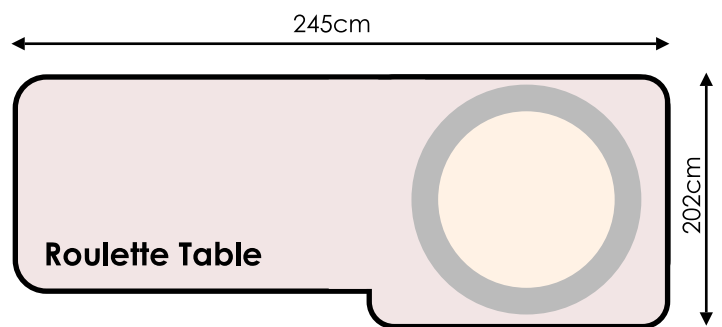

TECH REQUIREMENTS

These are the technical requirements for staging a fun casino night, please ensure you are able to provide these as required. Redtooth assume that this is the case unless you have told us otherwise at the time of booking.

Here are the dimensions of the tables for you to plan your space.

Here are our additional requirements:

- Please ensure at least 100cm of space between a table and any other item/wall/column etc.
- We require a 13 amp plug socket - ideally near each table. We will bring extension cables but will need to keep cable runs to a minimum.
- We need adequate lighting near each table. This can be dimmed or subdued but not dark.
- We need to be able to unload next to the venue, ideally directly into the function room.
- We need a parking space for a transit van.
- We need soft drinks or water to be provided for the team during the event.
- Access to another room before the event so we can get changed would also be helpful.
- If serving food during the event this needs to be done away from the tables.
